open at any time. Candles, incense or other open flame elements are not allowed in Miner Village units. Pulling a fire alarm, tampering with smoke detector system or sprinkling system, or falsely reporting an emergency to the Police or Fire Department is prohibited under Texas State Law.

**FURNITURE**

Residents of Miner Village are provided furnished units and are responsible for the proper care and condition of all furnished items. Residents are required to report furniture damage to the Residence Life Office immediately upon recognition. Furniture may not be arranged, removed, or stacked in any way that would endanger the safety of residents. University furniture may not be transferred or exchanged between units or public areas. When a resident checks out of Miner Village, the same furniture provided at check in must be in the unit and in good condition.

**GAMBLING**

Gambling is illegal in Miner Village or on any state property.

**GATE PHONES**

A gate phone is located near every entrance to the complex. Guests may call the residents apartments following the instructions on the phone. The resident can unlock the gate from their apartment phone by pressing “9”.

**GARBAGE DISPOSAL MAINTENANCE**

To help maintain water flow through the disposal, residents are advised to turn the water on before they start the disposal and turn it off after the unit has stopped. Residents must properly dispose of cooking grease. After cooking, let grease cool to room temperature. Transfer grease to a separate leak-proof container before disposing in the dumpsters located outside the complex. Grease should not be put in the sinks or in the garbage disposal. For garbage disposal repair, residents must submit a work order.

**GRILLS**

Miner Village provides grills that are available for all residents. The grills are located in the complex by the volleyball courts. Residents are also allowed to bring small grills, but you may not grill in covered stairwells. Grills may not be stored inside the resident’s apartment.
Guests

Guests are permitted to visit the residents of Miner Village with appropriate consideration for safety, security and privacy issues. Failure to comply with the guidelines for guests may result in revocation of the host’s privileges, a guest’s access to Miner Village and/or disciplinary action. The following guidelines have been established to assure that both guests and residents are advised of their responsibilities related to visitation within Miner Village:

Miner Village residents are the only persons who may host guests. All Miner Village residents are responsible for their actions of their guests, including their adherence to both Miner Village guidelines and all University policies. Guests who violate University and/or Miner Village policy will be asked to leave and the resident’s ability to entertain their guests in Miner Village will be reviewed during the judicial procedures. Residents are responsible for ensuring that their guests are aware of the policies and procedures of Miner Village especially fire evacuation and safety procedures in the event of an emergency.

Harassment

Miner Village complies with all UTEP policies and federal laws regarding harassment, sexual harassment and discrimination. UTEP is committed to maintaining an employment and academic environment that is free from sexual harassment and inappropriate conduct of a sexual nature. Employees and students should be aware that sexual harassment in both the work and academic environment is prohibited by UTEP policy and federal law. Residents have the right to a work and academic environment that is free from sexual harassment as well as discrimination on the basis of sex, race, color, age, religion, national origin, sexual orientation, disability or veteran’s status.

Health and Safety Inspections

The Department of Residence Life reserves the right to do unit inspections in Miner Village. 24 hour notice will be given to residents prior to the inspection and residents are encouraged to be at home at the time of inspection. Inspections will be done to check for cleanliness and fire hazards.

Horseplay

Water, shaving cream, paint ball or similar “fights” are not permitted. Objects such as, but not limited to, firecrackers, water hoses, water guns, paint ball equipment and containers of water are not to be discharged or thrown in the corridors, student units, and public areas or from windows.

Incident Reports

Incidents requiring the attention or intervention of Miner Village staff members are routinely reported to the Residence Life Staff. Violations of University policies, medical and emergency situations, behavioral problems, and instances of property loss or damage are documented on Incident Report Forms and forwarded to the Miner Village staff for appropriate follow-up and/or referral.
INTERNET USE

Internet service is available in each unit. Residents must have an Ethernet card to utilize UTEP as your ISP. The list below is not all-inclusive, but covers considerations/infractions of University policy which may result in the loss of internet use or disciplinary action. Inappropriate use of internet services is considered a violation of university policies and procedures.

- Residents of Miner Village may not become a host of internet services. Distribution of software is a direct violation of University policy for internet use.
- Resident of Miner Village may not install personal wireless routers.
- Residents are required to strictly abide by all copyright requirements for the use of programs on and off the internet. Stealing copyrighted material will result in disciplinary action by the University.
- Residents are reminded that the University is a state-funded institution and, as such, operated on a limited budget. Users are expected to use all resources, including internet access and bandwidth, efficiently and effectively. Given that this bandwidth is itself limited, using programs that consume excessive bandwidth deprives another user of their equal share.

The Miner Village student housing data network is set up for Dynamic Host Configuration Protocol (DCHP) which means, if properly configured, your computer will automatically pick up an IP address for the Miner Village network. This will allow you to access all UTEP network resources (My UTEP, Live mail, Goldmine, Library, etc.). To access non-UTEP internet sites, you will need to authenticate using your UTEP account user name and password. Below are step-by-step instruction to set your Miner Village network connection.

- Navigate to START>CONTROL PANEL>NETWORK CONNECTIONS
- Click LOCAL CONNECTION
- Highlight Internet Protocol (TCP/IP) and click properties
  (Ensure that “Obtain an IP address automatically” and “Obtain DNS server address automatically” have been selected) - Click OK. You should now be able to access all UTEP web sites. To access the internet, open your-web browser to a non UTEP site (www.yahoo.com, www.msn.com, www.cnn.com) An authentication window will open.
- Enter your UTEP e-mail user name and password. Press enter. If the web site is available, it should now appear in the web-browser. You will only need to authenticate once every three hours.

JUDICIAL SERVICES

Every student who enrolls at UTEP whether they reside on campus or off is expected to conduct him/herself in a manner that is compatible with the University’s function as an educational institution. Both academic and non academic misconduct is forwarded to the Dean of Students Office for investigation. The Assistant Dean of Students has primary responsibility for the administration of student discipline which include incidents that may arise at Miner Village. Violations of the code of conduct are taken very seriously. We want to continue to offer safe, secure, and healthy environment for all residents of Miner Village. We encourage you to take an active role in building a strong community by doing the following:

- Get to know your roommate(s) and your neighbor(s). They are students just like you!
- Appreciate and respect your surroundings which include the furnishings, buildings, and landscaping.
• Be aware of your surroundings. Never leave your door unlocked or prop open the gates of the complex.
• If you are of legal age to consume alcohol, do so responsibly and in the privacy of your apartment. Keep in mind that it is against the law to provide or sell alcohol to under the age of 21.
• Understand that the use, possession, and/or distribution of illegal drugs is strictly prohibited.
• If a conflict arises and you are unable to come to a mutual understanding, seek out resources (RLA)
• Report any suspicious activity to your RLA or campus police immediately.

If you have any further questions about UTEP Judicial Services, please don’t hesitate to contact us at (915) 747-5648. All official rules, regulations and policies are published in the “Rules and Regulations of the Board of Regents of the University Texas System”, (http://www.utsystem.edu.bor.rules) the “Handbook of Operating Procedures” (http://hoop.utep.edu/Student_Affairs_Index_Page_HOP.htm) and the “Catalog” (www.utep.edu/catalogs) of the University of Texas at El Paso.

KEYS

Unit keys are issued to each resident and must be returned upon request. We recommend that unit doors be kept closed and locked at all times. Residents are encouraged to have their keys with them at all times. If a resident needs to ask for assistance in entering his/her unit between the hours of 8 A.M. to midnight, residents should call the Summit Hall office. Lock-outs between the hours of midnight and 8 A.M. require contacting the residence Life Assistant on Duty by calling (915) 525-1452. All residents will be required to show ID to be assisted with a lock-out. A charge of $5.00 will be added to the residents account. Excessive lock-outs on the part of a Miner Village resident may result in disciplinary action. When a unit key is lost or stolen, security of the unit for the residents become a priority. The resident whose key is lost, or not returned at the time of check out, will be responsible for the cost of a lock change and the cost of a new key.

Residents are encouraged to protect personal possessions and those of other residents living in the unit by maintaining the security of room keys. For the safety and security of students living in Miner Village, residents are required to immediately report missing keys to the Residence Life Office in Summit Hall and to immediately turn in any Miner Village keys found on the premises or elsewhere. Theft should be reported immediately to the University Police (747-5611) as well as the Summit Hall Office. As a precaution, students should keep their doors locked (including apartment and bedroom doors) at all times.

LAUNDRY FACILITIES

For the convenience of residents, Miner Village is equipped with washers and dryers in four laundry rooms. The four laundry rooms are located in Sacramento, Chisos, Del Norte and Hueco Halls. In consideration of other residents who may need to use the washers and dryers, residents are strongly encouraged to stay with their laundry while it is washing and drying, and should remove laundry promptly after the cycle has been completed. If you lose change in a machine, or have problems with one of the machines, please come to the Summit Hall Office for information on refunds.
MAIL

Mailboxes for Miner Village residents are located in Summit Hall. Every student receives a mailbox key at check in. There is a charge for replacement mailbox keys. On a daily basis, Monday through Saturday, Mail will be delivered to Miner Village. The Postal service will place any mail addressed to you in the mailbox you are assigned. On Sundays and on holidays, there will not be mail delivery. A box is provided in Summit Hall for outgoing mail. When you check out, it is your responsibility to complete a Change of Address Card/forwarding information. This is under the direction of the US Post Office and cannot be done for you by Miner Village personnel.

YOUR MAILING ADDRESS (for both packages and U.S. Mail)
Name (first and last)
2401 N. Oregon St. # _____________(your assigned mailbox number, not the apt. #)
El Paso, TX 79902
(Please note that any mail received without a box number may be returned to sender.)

MAINTENANCE

For any repairs that need to be done in your room, you may submit a service request at the Summit Hall Office, either in person or by calling our main line at 747-5352. Please include your name, hall and room number, phone number, and a detailed explanation of the problem. We strive to make all repairs within 24 hours. Please notify the Property Manager if you have questions or concerns.

MISUSE OF ROOM KEYS AND IDENTIFICATION CARD

Miner Village unit keys are issued to the assigned occupant of that unit only. Lending a key or the Miner Gold Card for gate entrance to any other persons is not permitted. It is a violation of state statutes and university regulations to duplicate a key to any door of a unit or bedroom.

MEAL PLANS-MINER MEALS

Miner Meals are funds deposited in your Miner Gold ID Card for purchase of meals at any of the University’s food venues. Miner Meals are purchased in blocks of $50 increments at the Student Business Services, located on the first floor of the Academic Services Building. These funds are held in reserve exclusively for purchase of food at any of the on-campus food venues. Best of all, you receive an automatic 10% discount on all food purchases when you use your Miner Meals. This discount applies to all food products sold at the University’s food venues.

PACKAGE DELIVERY

If your package is too large for your mailbox, you will have a note/card on your mailbox telling you where you may pick up your package. Office staff may also call you at your Miner Village phone number to notify you of a delivery. Please note that your ID will be necessary to pick up a package at the Summit Hall Office.
PAINTING

If you need to purchase touch up paint for your room, you may go to Dunn Edwards Paint, 7930 N. Mesa, El Paso, TX 79912 and ask for Miner Village paint color number CW054W.

PARKING

All new and returning Miner Village residents will be issued a temporary parking pass during check in. This temporary parking permit is only intended to assist with parking accommodations during check in and move in and will expire. Parking permits for Miner Village residents are available for a $50 annual fee. To obtain an annual parking permit for Miner Village, stop by the Parking Office in the Academic Services Building. The parking office will verify that you are a Miner Village resident and they will issue you a Miner Village parking decal. The Miner Village parking decal must be displayed on the inside of your vehicle, in the middle of the front windshield on the bottom. The sticker allows you to park in any area indicated as Miner Village as well as any remote parking lot (see campus parking map for details). If your sticker is damaged and you bring your permit or its remnants, you may request a free replacement sticker for your vehicle. Lost or stolen decals (no remnants or fragments available) may be replaced for a fee. When you receive a new sticker, your previous one is immediately cancelled in the system. All parking permits have value and we encourage everyone to secure and safeguard your vehicle against theft.

Automobiles, motorcycles and other types of motor vehicles may not be driven on any part of Miner Village except the designated parking areas. Miner Village residents are strongly encouraged to keep automobiles locked at all times they are not in use. Guests must park on streets surrounding Miner Village. If residents want to park in perimeter or perimeter parking lots around UTEP, they must also purchase a student perimeter premium decal at the regular price (see Parking and Traffic Rules & Regulations). Miner Village residents must surrender their parking permits upon check out. If the permit is not returned a fee will be assessed to the student account.

PEST CONTROL

All apartments are sprayed for insects, and residents are asked to make the baseboards of every room accessible. Extermination is conducted on a regular basis. Residents will receive notice specifying the exact date that the spraying will occur. If your apartment needs spraying before the next scheduled visit, notify the Summit Hall Office and submit a work order.

PETS

Although pets may bring pleasure to their owners, they may also create odors, aggravate allergies and cause noise. With the exception of goldfish and tropical fish in a bowl of 10 gallons or less, pets are not permitted in Miner Village at any time. Guests are not allowed to bring pets into Miner Village, even on a temporary basis.
PHONES

Each apartment is furnished with one phone in the living room. Efficiency apartments are equipped with one phone. Local calls are included in the monthly rental fee. Long Distance calls may be made by using a calling card or private long distance access code. Damage to any phone within a unit will result in the resident of that unit being held financially responsible for the replacement cost of the phone ($200.00)

• On-campus calls require the use of the last four digits only.
• To call off campus dial “9” and then the 7 digit number
• The UTEP phone system does not allow a resident to accept a collect call to a Miner Village phone.

Each resident has their own phone number and their own voice mail account through the department of Information Technology (IT). All residents must contact the IT Help Desk at ext. 4357 (HELP) to reset the password and mailbox extension. Once reset you will receive a temporary password and press 4 for the administrative tools. Follow the spoken instructions to set your name, new password and greeting. The following instructions will assist you in voice mail usage:

> To check your voicemail from your room phone call ext. 5065, enter your password and you are at the menu
> When calling from outside the University, call 747-5065, Listen to the introductory greeting, press # to indicate that you have a mailbox on the system, enter your mailbox number, and then your password.
> To record a message after entering the system, press 2 to record the message and press # when you are done recording.
> Further instructions are available at www.utep.edu/IT

QUIET HOURS

Noise is a potential problem in a group living situation. While there are hours designated as “quiet”, it is our policy that courtesy hours exist at all times. Courtesy hours give all residents the right to study and sleep free from undue interference, unreasonable noise, or any other distractions that inhibit this right. In support of the academic mission of UTEP, it is important for residents to discuss, understand, and abide by community standards of quiet hours throughout Miner Village.

QUIET HOURS are:

10:00 P.M.- 8:00 A.M. Sunday-Thursday
12:00 A.M.- 8:00 A.M. Friday and Saturday

During this time, no noise should be heard outside of the unit. Moderate noise levels that promote an atmosphere of academic success (COURTESY HOURS) should be maintained during all hours other than designated as QUIET HOURS. The use of electronic equipment such as stereos, radios and amplifiers in a manner that violates a standard of quiet conducive to study or sleep is not allowed. Repeated violation may result in University disciplinary action.
RECREATION

There is a sand volleyball pit located near Davis Hall. The court operates on a first-come basis and is available to all residents. To protect the study environment of residents who live next to the court, the court is only open from 9 A.M. - Midnight daily. For basketball courts, ping-pong, foosball and other recreational activities, Memorial Gym is located adjacent to Miner Village. Equipment is available for checkout to all UTEP students through the reception desk in the Memorial Gym lobby.

RECYCLING

P. I. C. K. - People Innovating Change & Knowledge

Miner Village is launching a resident recycling program during the 2007-2008 academic year. Residents are asked to collect all accepted recyclable items in the small blue container given at check-in. Notices will be posted in the laundry rooms, on bulletin boards and via e-mail to notify residents of pick up locations. For more information or to volunteer please contact the Summit Hall Office (747-5352) or talk to any Residence Life Assistant.

ROOM ASSIGNMENTS

It is the policy of the University to assign roommates within the units without regard to race, creed, or nationality. It is our expectation that a resident living alone without a roommate will keep the residence clean and expect a roommate at any time. The Assistant Director will make every effort to notify current residents of a new roommate assignment. Only those students contracted to a particular unit may spend the night in that unit without the approval of the RLA for that area. Residents may not sublet or give out any part of a unit to anyone not contracted with the Department of Residence Life.

ROOM CHANGES

Residents may make a request to change rooms to the Summit Hall Office. When the requested move has been approved, the resident will be given a deadline to make the move and turn in their previous keys. Failure to turn in keys on the designated date and/or failure to check out of the previous unit and into the new unit will result in improper check out charges.

ROOM ENTRY AND SEARCH

The University of Texas at El Paso respects and is committed to the protection of residents’ right to privacy, as well as to the safety and security of all residents. However, there are certain circumstances under which a designated University official has the right to enter any part of a Miner Village Apartment when necessary. Designated officials include but are not limited to: University Police, EMS, Fire Prevention Services Personnel, Miner Village Staff, Housekeeping, maintenance personnel and other persons authorized by the University to enter premises for the purpose of inspection or maintenance under reasonable and restrained conditions. Entry into units within Miner Village may be made for the following reasons.
Room Entry and Search, continued-

- To conduct a search of any part of the complex and/or unit in accordance with University policy.
- The detection of an illegal activity which interferes with the normal operation of the University and/or Miner Village
- If there is a violation of health regulations.
- For any emergency circumstance which may warrant a quick entry into an area or unit.
- For housekeeping or maintenance needs.
- For regularly scheduled and announced inspection and/or spraying all the units.
- For reasons concerning the safety and well-being of anyone in the apartment.

ROOMMATES

Every effort is made to pair roommates of similar age and common thoughts on cleanliness, guests, and study habits. The Residence Life Staff will visit each resident at the beginning of the year to hear the terms of their “Roommate Agreement”; a binding contract between roommates that will initiate discussions on many issues that can be a source of conflict. Regarding conflicts, residents are strongly encouraged to resolve them on their own, as this can be a teachable moment for a college student. Residents are encouraged to involve student staff when they feel they need to do so. Should a conflict occur that cannot be resolved through the assistance of student staff, the Miner Village Administrative Staff will intervene. Relocation will only be considered if space exists for a room change and the Miner Village staff feel the next roommate pairing will be a more compatible situation for all involved.

SEXUAL ASSAULT

Allegations of sexual assault are considered extremely serious and will be dealt with immediately. Investigations of this type of offense will include the Department of Residence Life, University Police Department and the Dean of Students Office. Students are encouraged to report any knowledge of such offenses immediately, for their own safety and the safety of others.

SMOKE DETECTORS/SPRINKLER SYSTEM

All units are equipped with smoke detectors and a sprinkler system. The smoke detectors and sprinkler systems are checked regularly by Miner Village staff during the Health, Fire and Life Safety Inspection. The staff will check each detector, the sprinkler system, and visually scan the room for other fire hazards (i.e. overloaded circuits, etc) If you suspect a problem with your smoke detector or sprinkler system, contact the Summit Hall Office or an RLA immediately. Residents are not allowed to damage or obstruct the smoke detectors and sprinkler system. If the smoke detector sounds, notify Summit Hall Office 747-5352.
SMOKING

The University of Texas El Paso is designated as a non-smoking environment by the University of Texas Board of Regents. Residents and guests shall not smoke on the premises of Miner Village, to include units, corridors, the grounds, the sand volleyball court, the stairwells and Summit Hall. When a resident vacates a unit, if additional cleaning or repairs are necessary due to smoking violations, appropriate charges will be assessed to cover the costs of damages, deodorizing and removal of odors.

SOLICITATION

To protect Miner Village residents right to privacy, canvassing or solicitation of funds, sales, memberships, subscriptions or distribution of literature is prohibited unless permission has been given by the Director of Residence Life or designee. State law prohibits using state property for private enterprise. No concessions or business of any type may be operated by a student, family member, or other person from the living unit or in the apartment complex. This applies to baby sitting, Avon, Tupperware, and other similar businesses run from private residences.

SPECIAL INTEREST HOUSING

Miner Village continues to offer its residents the option to “choose their neighbors” with Special Interest Housing. Buildings throughout the complex are home to four different floor designations. “Wellness Floors” will bring residents together that have a common interest in staying healthy and fit. “Leadership Floors” will engage interested residents in participating in campus activities, including our Miner Village Hall Government. “International Floors” will gather residents from around the world and challenge them to share their cultures with one another. “Academic Floors” will keep residents focused on their studies with respect for each others’ goals. Miner Village Student Staff will present residents with programs and bulletin board topics that will cover these Special Interest Housing options throughout the academic year.

TRAFFIC SIGNS

Traffic signs, as well as state and city directional or informational signs, are not allowed in students apartments since possession of these items is illegal without the appropriate proof of purchase. These signs will be turned over to the University Police Department.

TRASH

To complement the beauty and community environment offered within Miner Village, all residents are required to take trash to the proper trash disposal areas. Proper disposal of trash will help keep costs lower at Miner Village. Trash left outside the front doors to units is not permitted. Trash left in front of the doors, on landings, or disposed of in an inappropriate manner will be identified and the responsible student will be charged a disposal fee.
UNLISTED PHONE NUMBERS

The Residence Life Office will give out phone numbers of residents if the person asking for the number knows both the first and last name of the resident. The Office will not give out the apartment unit number for a resident. If you do not want your phone number given out, you need to take the following two steps to prevent this from happening:

1. Go by the Records Office in the Academic Services Bldg. and fill out a confidentiality (non-disclosure) card.
2. Stop by the Residence Life Office in Summit Hall and request that your number not be given out.

VENDING MACHINES

Vending machines are located in Chisos, Hueco, Del Norte, and Sacramento Halls, as well as in Summit Hall.

VISITATION

Visitation refers to the visiting hours of members of the opposite gender in Miner Village apartment. It is the responsibility of roommates to discuss the visitation policy for their living environment. This “self-regulating” option must be agreed upon by all residents in the living space and will be shared with the Residence Life Assistant. “Cohabitation” refers to a member of the opposite gender staying overnight in a residents room. Additionally, the following guidelines must be observed:

Cohabitation by guests of the opposite gender is not permitted in Miner Village. Violation of this policy may result in loss of visitation privilege for the guest and/or review of residential status for the resident. Residents must have the permission of a roommate to have overnight guests of the same gender.

WEAPONS AND FIREARMS

The safety and welfare of all students is a priority for Miner Village. All residents must contribute toward personal and community safety by being aware of policies which impact safety and by living in a responsible manner. The following guidelines with regard to firearms and weapons must be followed by Miner Village residents.

Possession and/or use of any type of firearms or other weapons are not permitted in or around Miner Village. This includes but is not limited to bows and arrows, darts, knives, martial arts implements, BB guns and paint ball guns. The use and/or possession of fireworks or explosive devices of any type are not permitted in or around Miner Village. Shotguns, rifles, and pistols used for recreational and/or competitive purposes must be registered and stored at the UTEP Police Department.
WINDOWS AND SCREENS

When in operation, heating, air conditioning and ventilation systems in Miner Village are designed to operate at maximum efficiency with all windows closed. If heating and cooling systems are not in use, residents are allowed to open the windows in the units. Residents are not permitted to use windows for purposes of entering or exiting a unit. Residents are not permitted on ledges or roofs. Screens on windows are not to be removed for any reason except as authorized through the Residence Life Office. Residents of Miner Village will be held accountable for missing screens and are required to notify the Department of Residence Life when a screen is noticed missing.

WITHDRAWAL FROM THE UNIVERSITY

If for some reason you decide to withdraw from the University, discuss this with a Miner Village staff member. The staff will not try to prevent you from withdrawing, but rather will walk through the matter with you in the interest of exploring all possible alternatives prior to your final decision. After thinking it over, if you decide that the best thing for you to do is withdraw, you must comply with the official University withdrawal procedure. If you want to withdraw from the University, you must go to the Registrar and Records Office located in the Academic Services Building. You must check out of your room within 48 hours, unless an extension is granted. Be sure to contact the Miner Village staff to cancel your housing contract, check out properly, and return your room key.
SAFETY INFORMATION
STAYING SAFE IN THE VILLAGE

You are now living on your own, and you will only be as safe as the situations you place yourself in. Keep these thoughts in mind as you become familiar with your new living environment.

LOCK YOUR DOOR!

It is hard to believe that we would warn you of this, but thefts are a reality. The more comfortable you become, the less likely you may be concerned about safety. Don’t let your guard down!

KNOW YOUR BLUE LIGHT PHONES!

Throughout the campus, and around Miner Village you will notice several call boxes or “blue light phones”. These are to be used in the event of an emergency. Picking up the phone will connect you directly to our campus police.

IMPORTANT PHONE NUMBERS

Keep a list of emergency numbers where you can see them near your phone in your apartment.

YOUR KEY, YOUR CARD, YOUR RESPONSIBILITY...

For the safety and protection of all residents of a unit, you should never loan or give out your unit key or Miner Gold Card to any other persons. Unit keys found on unauthorized persons will be confiscated, and you may end up being charged for a lockout.

REPORT STRANGERS TO THE OFFICE

Keep in mind that solicitors, door-to-door salespersons, and other strangers are not allowed inside Miner Village. You have every right to question someone following you through a gate, and we want you to call the RLA or the front office when you see someone who shouldn’t be around Miner Village.
